SME Innovation Top 100

Allplast in the top 100 most innovative SME-companies

Allplast TOP-100 most innovative SME companies 2016 in the Netherlands

On 5 July, Allplast was selected by the Chamber of Commerce to be included in the TOP-100 most innovative SME companies in the Netherlands. Out of many submissions to the Chamber of Commerce, Allplast was selected to be part of the final 100 companies. On 29 September, on the "Dag van de Innovatie", the final ranking and winner will be announced.
