

The Global Commercial Helicopter Market 2018–  
2028

Report Code: DF154SR

Published: May 2018

## TABLE OF CONTENTS

<b>1 EXECUTIVE SUMMARY .....</b>	<b>14</b>
1.1 The global commercial helicopter market is expected to register a CAGR of 4.11% over 2018–2028.....	14
1.2 The light helicopter segment is to witness the highest spending in the global commercial helicopter market.....	15
1.3 Asia-Pacific to lead the commercial helicopter market over the forecast period.....	16
1.4 Persistent technological developments to lead industry growth.....	17
<b>2 Commercial Helicopters Market – Overview .....</b>	<b>18</b>
2.1 Global Commercial Helicopters market to value US\$88.5 billion over 2018-2028.....	18
2.1.1 Global Commercial Helicopters market overview.....	18
2.2 Key Statistics .....	18
2.3 Drivers, Trends, and Challenges .....	19
2.4 Global Commercial Helicopters Market to witness robust growth .....	20
2.5 Asia-pacific to witness the highest cumulative spend during the forecast period .....	22
2.6 Light helicopters to propel growth in the global market.....	24
<b>3 Market Dynamics.....</b>	<b>26</b>
3.1 Demand Drivers: Offshore activities to continue driving demand for helicopters.....	26
3.1.1 Demand for helicopters to mount owing to increasing offshore activities globally .....	26
3.1.2 Increasing demand for Light helicopters to be a continual driving factor for the market.....	27
3.1.3 Burgeoning demand from Asia and Latin America to drive the market during the forecast period.....	27
3.1.4 Law enforcement agencies to influence growth in the market .....	28
3.2 Trends: Emerging economies and light helicopters to boost overall global market .....	29
3.2.1 Fast growth in emerging markets .....	29
3.2.2 Light helicopters to attract significant investments owing to the HEMS and VIP transport industries .....	29
3.2.3 Rising interest in heli-tourism and heli-taxi .....	30
3.3 Industry Consolidation: Joint ventures expected to increase over the forecast period .....	31
3.3.1 Joint ventures and development programs to strengthen the global helicopter industry .....	31
3.4 Technological developments: Additive manufacturing technology and introduction of unmanned helicopters to boost commercial helicopters industry.....	32
3.4.1 Use of additive technology in helicopter manufacturing .....	32
3.4.2 Development of unmanned helicopters/drones.....	32
3.4.3 High speed helicopter technology demonstrator .....	33
3.5 Key Challenges: Instability in oil and gas, along with a lack of trained pilots, to hinder growth .....	34

## Global Commercial Helicopter Market 2018-2028

3.5.1	Fluctuating oil prices to affect the commercial helicopter market.....	34
3.5.2	Lack of trained helicopter pilots proving to be a hurdle to market expansion .....	34
3.5.3	Weak indigenous manufacturing capabilities and lack of R&D .....	35
3.5.4	Environmental emissions to pose challenge for helicopter manufacturers .....	35
<b>4</b>	<b>Commercial Helicopters Market – Segment Analysis .....</b>	<b>36</b>
4.1	Light helicopters segment to lead the global market over the forecast period .....	38
4.1.1	Light helicopters to account for 36.0% of total commercial helicopters market .....	38
4.2	Medium helicopters segment to grow at a CAGR of 5.28% over 2018–2028.....	40
4.2.1	Medium helicopters to witness the fastest growth rate over 2018–2028 .....	40
4.3	Heavy Helicopter segment is expected to grow at a CAGR of 3.12% during the forecast period .....	42
4.3.1	Heavy Helicopter segment to account for the third largest share during the forecast period .....	42
<b>5</b>	<b>Commercial Helicopters - Regional Analysis .....</b>	<b>44</b>
5.1	Regional Overview .....	44
5.2	Asia-Pacific to account for the largest share of the global commercial helicopters market.....	45
5.2.1	The commercial helicopters market is expected to register robust growth in the Asia-Pacific region .....	45
5.2.2	Asia Pacific: Airbus Helicopters to account for 2.8% of the Asia-Pacific Commercial Helicopters Market.....	47
5.3	North America is expected to grow at a CAGR of 4.72%.....	49
5.3.1	North America is expected to be the second largest spender in the global commercial helicopters market during the forecast period .....	49
5.3.2	North America: Airbus Helicopters and Leonardo Helicopters to account for 2.7% of the North American Market .....	51
5.4	Europe is poised to maintain steady growth over the forecast period .....	53
5.4.1	Russia and Ireland to drive spending in the European commercial helicopter market .....	53
5.4.2	Europe: Airbus Helicopters to be the leading supplier in the European Commercial Helicopters Market.....	55
5.5	Latin America to maintain a substantial growth rate for commercial helicopters over the forecast period.....	57
5.5.1	Brazil to dominate the Latin American commercial helicopters market during 2018–2028 .....	57
5.5.2	Latin America: Bell Helicopter to account for the majority of share in the region during 2018-2028 .....	59
5.6	UAE to lead the Middle Eastern Commercial Helicopter Market .....	61
5.6.1	The commercial helicopter market in the Middle East is expected to grow at a CAGR of 4.50%.....	61
5.6.2	Middle East: Airbus Helicopters to lead the Middle East Commercial Helicopters Market .....	63
5.7	The African market is expected to marginally increase over the forecast period.....	65
5.7.1	The commercial helicopter market in the Africa is expected to grow at a CAGR of 1.88% .....	65
5.7.2	Africa: Leonardo Helicopters to dominate the African commercial helicopters market .....	67
<b>6</b>	<b>Trend Analysis - Key Defense Markets .....</b>	<b>69</b>
6.1	Leading Segments in Key Countries .....	69

## Global Commercial Helicopter Market 2018-2028

6.2 Country Analysis: US .....	71
6.2.1 US: Market Overview.....	71
6.2.2 The US's commercial helicopters accounted for a value and volume share of 27.0% and 24.9% of the global market in 2018, respectively.....	74
6.3 Country Analysis: US – Medium Helicopters .....	76
6.3.1 The medium helicopters segment is expected to account for the largest share of the US commercial helicopters market.....	76
6.4 Country Analysis: US – Light Helicopters .....	78
6.4.1 Demand for light helicopters is expected to increase at a CAGR of 4.44% over the forecast period .....	78
6.5 Country Analysis: US – Heavy Helicopters.....	80
6.5.1 Heavy Helicopters constitutes the third highest market share of 7.38% in the US commercial helicopters market	80
6.6 Country Analysis: Ireland .....	82
6.6.1 Ireland: Market Overview.....	82
6.6.2 Ireland's commercial helicopters accounted for a value and volume share of 10.5% and 6.5% of the global market in 2018, respectively.....	86
6.7 Country Analysis: Ireland – Heavy Helicopters.....	88
6.7.1 The heavy helicopters segment is expected to account for the largest share of overall expenditure.....	88
6.8 Country Analysis: Ireland – Medium Helicopters .....	90
6.8.1 The medium Helicopters segment is expected to exhibit a CAGR of 7.68% during the forecast period .	90
6.9 Country Analysis: Ireland – Light Helicopters .....	92
6.9.1 The light Helicopters segment is expected to exhibit a CAGR of 4.93% during the forecast period .....	92
6.10Country Analysis: Russia .....	94
6.10.1 Russia: Market Overview.....	94
6.10.2 Russia's commercial helicopters accounted for a value and volume share of 7.2% and 6.2% of the global market in 2018, respectively.....	97
6.11Country Analysis: Russia – Heavy Helicopter.....	99
6.11.1 The heavy helicopter segment is expected to be the largest segment of Russian commercial helicopters market	99
6.12Country Analysis: Russia – Light Helicopter .....	101
6.12.1 The light helicopter segment is expected to register a CAGR of 3.92% during the forecast period .....	101
6.13Country Analysis: UK .....	103
6.13.1 UK: Market Overview.....	103
6.13.2 The UK's commercial helicopters accounted for a value and volume share of 2.1% and 1.6% of the global market in 2018, respectively.....	106
6.14Country Analysis: The UK – Heavy Helicopters.....	108
6.14.1 The heavy helicopters market is anticipated to register healthy growth during the forecast period.....	108

## Global Commercial Helicopter Market 2018-2028

6.15	Country Analysis: UK – Medium Helicopters .....	110
6.15.1	The medium helicopters segment is expected to account for the second largest share of the UK market	110
6.16	Country Analysis: China .....	112
6.16.1	China: Market Overview .....	112
6.17	Country Analysis: China .....	114
6.17.1	China: Market Overview .....	114
6.17.2	China's commercial helicopters accounted for a value and volume share of 14.8% and 21.9% of the global market in 2018, respectively.....	117
6.18	Country Analysis: China – Light Helicopters.....	119
6.18.1	Light helicopters market to grow at a CAGR of 3.60% during the forecast period.....	119
6.19	Country Analysis: China – Heavy Helicopters .....	121
6.19.1	China's expenditure on heavy helicopters to account for the second highest proportion of expenditure	121
6.20	Country Analysis: China – Medium Helicopters.....	123
6.20.1	China's medium helicopters segment occupies the third largest share of the overall Chinese commercial helicopters market.....	123
6.21	Country Analysis: Japan.....	125
6.21.1	Japan: Market Overview .....	125
6.21.2	Japan's commercial helicopters accounted for a value and volume share of 5.0% and 7.9% of the global market in 2018, respectively .....	128
6.22	Country Analysis: Japan – Light Helicopters .....	130
6.22.1	The light helicopters segment is expected to register a CAGR of 1.72% during the forecast period ....	130
6.23	Country Analysis: Japan – Heavy Helicopters .....	132
6.23.1	Cumulative pending on the heavy helicopters segment is expected to value US\$969 million during the forecast period .....	132
6.24	Country Analysis: Japan – Medium Helicopters .....	134
6.24.1	Medium helicopters segment to register moderate growth during the forecast period .....	134
6.25	Country Analysis: India.....	136
6.25.1	India: Market Overview .....	136
6.25.2	India's commercial helicopters accounted for a value and volume share of 3.0% and 1.9% of the global market in 2018, respectively .....	139
6.26	Country Analysis: India – Light Helicopters .....	141
6.26.1	Light helicopters market to grow at a CAGR of 3.23% over the forecast period.....	141
6.27	Country Analysis: India – Heavy Helicopters .....	143
6.27.1	The heavy helicopters segment is expected to account for the second largest share of the Indian commercial helicopters market .....	143
6.28	Country Analysis: India – Medium Helicopters .....	145
6.28.1	Medium helicopters are expected to account for the third largest segment of expenditure .....	145

## Global Commercial Helicopter Market 2018-2028

6.29 Country Analysis: UAE .....	147
6.29.1 UAE: Market Overview .....	147
6.29.2 UAE commercial helicopters accounted for a value and volume share of 1.2% and 0.9% of the global market in 2018, respectively .....	150
6.30 Country Analysis: UAE – Medium Helicopters .....	152
6.30.1 Spending on medium helicopters to drive the market in the UAE .....	152
6.31 Country Analysis: UAE – Heavy Helicopters .....	154
6.31.1 Heavy helicopters to grow at a CAGR of 0.36% over the next decade.....	154
6.32 Country Analysis: Iran .....	156
6.32.1 Iran: Market Overview.....	156
6.32.2 Iran’s commercial helicopters accounted for a value and volume share of 0.8% and 0.9% of the global market in 2018, respectively .....	159
6.33 Country Analysis: Iran – Light Helicopters .....	161
6.33.1 Spending on light helicopters to drive the market in Iran .....	161
6.34 Country Analysis: Iran – Medium Helicopters .....	163
6.34.1 Iran’s medium helicopters market to exhibit a CAGR of 1.55% during the forecast period .....	163
6.35 Country Analysis: Brazil .....	165
6.35.1 Brazil: Market Overview.....	165
6.35.2 Brazil’s commercial helicopters accounted for a value and volume share of 2.4% and 1.6% of the global market in 2018, respectively .....	168
6.36 Country Analysis: Brazil – Medium Helicopters .....	170
6.36.1 Medium helicopters to account for the highest share of expenditure in the Brazil commercial helicopters market 170	
6.37 Country Analysis: Brazil – Heavy Helicopters.....	172
6.37.1 Heavy helicopters to account for the second highest share of expenditure on the Brazilian commercial helicopters market.....	172
6.38 Country Analysis: Brazil – Light Helicopters .....	174
6.38.1 The light helicopters segment is expected to garner a cumulative investment of US\$104 million over 2018–2028 .....	174
6.39 Country Analysis: Mexico .....	176
6.39.1 Mexico: Market Overview .....	176
6.39.2 Mexico’s commercial helicopters accounted for a value and volume share of 1.0% and 1.3% of the global market in 2018, respectively.....	179
6.40 Country Analysis: Mexico – Light Helicopters.....	181
6.40.1 Light helicopters to account for the highest share of expenditure in the Mexican commercial helicopters market 181	
6.41 Country Analysis: Mexico – Medium Helicopters .....	183

## Global Commercial Helicopter Market 2018-2028

6.41.1	The medium helicopters segment is expected to garner a cumulative investment of US\$747 million over 2018–2028 .....	183
6.42	Country Analysis: South Africa .....	185
6.42.1	South Africa: Market Overview .....	185
6.42.2	South Africa’s commercial helicopters accounted for a value and volume share of 0.5% and 0.5% of the global market in 2018, respectively.....	188
6.43	Country Analysis: South Africa – Light Helicopter.....	190
6.43.1	Light helicopters to lead the South African market over the forecast period.....	190
6.44	Country Analysis: South Africa – Medium Helicopter.....	192
6.44.1	The market for medium helicopters is expected to post robust growth over the forecast period.....	192
<b>7</b>	<b>Commercial Helicopters Market - Future Outlook (The Road Ahead) .....</b>	<b>194</b>
7.1	Development of noise reduction technique - active rotor control.....	194
7.2	Further developments in precision navigation technology to gain momentum .....	195
<b>8</b>	<b>Recent/Expected Product Launches– Commercial Helicopters (Under development)196</b>	
8.1	Program Analysis: US – Bell 525 Relentless .....	196
8.1.1	Bell 525 Relentless – US.....	196
8.2	Program Analysis: US – Airbus H160.....	198
8.2.1	Airbus H160 – France.....	198
8.3	Program Analysis: Bell 407GXi .....	199
8.3.1	Bell 407 GXi – US.....	199
8.4	Program Analysis: AW609 .....	200
8.4.1	AW609 – Italy .....	200
<b>9</b>	<b>Key Programs Analysis – Commercial Helicopter .....</b>	<b>201</b>
9.1	Program Analysis: Ireland – Light Helicopters .....	201
9.1.1	Airbus H135 procurement – Ireland.....	201
9.2	Program Analysis: Ireland – Light Helicopters .....	203
9.2.1	H175 Helicopter procurement – Ireland.....	203
9.3	Program Analysis: China – Light Helicopters.....	204
9.3.1	Bell 407GXP procurement – China .....	204
9.4	Program Analysis: China – Light Helicopters.....	205
9.4.1	EC135 (H135) procurement – China.....	205
9.5	Program Analysis: India – Light Helicopters .....	206
9.5.1	ALH Dhruv Procurement – India.....	206
9.6	Program Analysis: China – Medium Helicopters.....	207
9.6.1	AW169 Procurement – China.....	207

<b>10 Competitive Landscape Analysis .....</b>	<b>208</b>
10.1 Profile: Bell Helicopter .....	208
10.1.1 Overview .....	208
10.1.2 Major Products and services – Bell Commercial Helicopters Market.....	209
10.1.3 Profile: Bell Helicopter – (Contracts) .....	209
10.2 Profile: Bell Helicopter – (Financial Deals).....	211
10.2.1 Bell Helicopter is focused on forming partnerships to enhance its product portfolio.....	211
10.3 Profile: Airbus Helicopters .....	212
10.3.1 Overview .....	212
10.3.2 Major Products and services – Commercial Helicopters .....	213
10.3.3 Profile: Airbus Helicopter – (Contracts) .....	213
10.1 Profile: Airbus Helicopters (Financial Deals).....	215
10.1.1 Airbus Helicopter is focused on forming partnerships to expand its customer base.....	215
10.2 Profile: Leonardo Helicopters .....	217
10.2.1 Overview .....	217
10.2.2 Major Products and services – Commercial Helicopters .....	218
10.2.3 Profile: Leonardo Helicopters (Contracts) .....	218
10.3 Profile: Russian Helicopters .....	220
10.3.1 Overview .....	220
10.3.2 Major Products and services – Commercial Helicopters .....	220
10.3.3 Profile: Russian Helicopters (Contracts).....	221
10.4 Profile: Russian Helicopters (Financial Deals).....	223
10.4.1 Russian Helicopters is focused on forming partnerships and doing acquisitions to expand its product offerings .....	223
10.5 Profile: Sikorsky Aircraft Corporation.....	225
10.5.1 Overview .....	225
10.5.2 Major Products and services – Sikorsky Commercial Helicopters .....	226
10.5.3 Profile: Sikorsky Aircraft Corporation.....	226
10.6 Profile: Sikorsky Aircraft Corporation (Financial Deals) .....	228
10.6.1 Sikorsky is focused on forming partnerships to enhance its product portfolio .....	228
10.7 Profile: Robinson Helicopter Company.....	229
10.7.1 Overview .....	229
10.7.2 Major Products and services – Commercial Helicopters .....	230
10.7.3 Profile: Robinson Helicopter Company.....	230
10.8 Profile: MD Helicopters Inc.....	231
10.8.1 Overview .....	231

## Global Commercial Helicopter Market 2018-2028

10.8.2 Major Products and services – Commercial Helicopters .....	231
10.9 Profile: MD Helicopter Inc (Financial Deals) .....	232
10.9.1 MD Helicopter is focused on forming partnerships to enhance its product portfolio .....	232
10.9.2 Profile: MD Helicopter Inc .....	232
